CHS BASEBALL

The 1985 edition of the Runnin' Lions Baseball team got off to one of the best starts in the history of the school. After the first 6 games the team was 6-0 and hopes were running high that goals such as a conference championship would be achieved. Unfortunately the second half of the season was not as good to us as the first. The breaks did not come and the bats went cold. The overall record finished at 9-5.

After completing conference play, Cisne and Odin were on top of the Conference with identical 6-1 records. This forced a play-off game to determine a conference champion. Odin won the game 9-3 to become the conference champion. The 9 wins tied a school record for the most wins by a team in a season.

The lettermen and special award winners are:

John Winters — P and 1B — MVP and Leading Hitter

Darrin Atteberry — SS

Steve Conard — C

Jeff Springmeyer — P and 1B — Mr. Baseball and Golden Glove

Bill Stopher — LF

Andy Atwood — CF

Brian Bullard — RF

Mike Conard — 2B

Junior Varsity Basketball

The 1985-86 Cisne Runnin' Lions Junior Varsity squad was quite a mixture of young and old. The team was composed of 5 juniors, 2 sophomores, and 7 freshmen. Although the final JV record was 7-9, there was good team and individual improvement. Mike Horn led the team in scoring with a 15.1 average. He was followed by Jason Atteberry with a 11.0 average. The leading free throw shooter was Mike Bailey at 62.3%. The leading rebounders were Horn with 127, Atteberry with 109, and Bailey with 108. The freshmen placed third in the North Clay Tournament. In the annual conference Frosh-Soph Tournament, the team captured the third place trophy with wins over Farina and Odin. Clayton Massie lead the tournament in scoring with 70 points in 3 games. Good luck to these young men as they work to become next year's varsity ball players.

VARSITY BASKETBALL

The season was definitely not without its ups and downs; however, considering everything as a whole the season measured up to one of the best in the school history. The final record was 18-8. The team played in the finals of the Wayne City Tourney, and in the finals of the Regional Tourney. The eight seniors and one junior who lettered were outstanding athletes in their performances and the rest of the varsity team lent great support. This bunch was definitely a together team. We cannot go by without mentioning these young men: John Winters, Darrin Atteberry, Bill Elliott, Bill Stopher, Andy Atwood, Brian Bullard, Steve Conard, James McKinney, Mike Horn, Mike Bailey, Jim Walker, Kent Glover, and Chris Cathey. We compliment these young men because they have done a super job!

Track

This season was just about as figured with the turnout very slim. We started with 11 athletes and through the season, these individuals matured and improved drastically. The desire to stick with it and hang in there made this season a very rewarding one. These individuals proved to themselves that they could succeed and compete on any level. They are a great bunch of athletes.
